# DYSC Dual Roster Policy

**Deltona Youth Soccer Club — Dual Roster Policy**

At Deltona Youth Soccer Club (DYSC), our priority is to maintain team integrity, competitive standards, and a positive experience for all players and families. In certain limited cases, DYSC may approve a *Dual Roster Arrangement* when a player participates in training or competitions with another non-competing organization or training-focused program.

**Policy Guidelines:**

1. Dual rostering is permitted only with prior written approval from the Director of Soccer (DOC) and Club President.
2. The arrangement must not conflict with FYSA/USSF roster rules or competition requirements.
3. Players must attend a minimum of **one (1) DYSC team practice per week** and participate in all scheduled games, unless specifically excused by the head coach.
4. A *Dual Roster Fee* equal to **15% & 25%** of the current competitive registration fee applies to cover coaching, insurance, administrative costs, and roster management.
    - 25% for players registering for both seasons (Fall & Spring)
    - 15% for players registering for one season only (Fall or Spring)
5. Fees are due in full before the player is officially added to the roster and are non-refundable once the season begins.
6. Player must undertake a try-out under the supervision of the DOS and team coach. The right to play on game day is reserved to the coach in accordance with the team plans.
7. Parents must sign the **DYSC Dual Roster Agreement**, acknowledging expectations, payment terms, required conduct and adherence to all DYSC policies.
8. The club reserves the right to discontinue dual roster status if the arrangement negatively impacts the team or violates club standards.

This policy ensures fairness to full-time rostered players and preserves the value of our club's coaching and facilities. All dual roster requests are reviewed on a case-by-case basis.

# DYSC Dual Roster Agreement Form

**Deltona Youth Soccer Club — Dual Roster Agreement**

**Player Name:** _____

**DOB:** _____

**Parent/Guardian Name:** _____

**Secondary Organization/Program Name:** _____

**Primary DYSC Team:** _____
