Its decision will be final.

This decision will be made by the Director of Competitive Soccer with the input of the team's head coach and the appropriate Registrar.
7. If a player is interested in trying out for a premier team in an older age group and is not selected, that player may try-out for a team in their own age group if that team has not already held try-outs. Underage players trying out to play up on premier teams are encouraged to try out for not only the older premier team but also the premier team in their age group. Players

are expected to tryout with their age group so that they can be assessed against players of similar age. The player may attend the older age group tryout of interest as well.

8. There will be no try-out fee charged to any player.
9. At following try-outs players selected to a team will be required to fill out registration paperwork and pay a non-refundable deposit which will be determined by the Executive Board before the start of try-outs. This will be given to each player in writing before tryouts begin.

3. Any disagreement with a DYSC coach shall be directed to the Director of Competitive Soccer.
4. Any disagreement with a player by their coach shall be directed to the Director of Competitive Soccer.
5. Remember that the opponents are necessary friends. Without them, your child could not participate.
6. Foul language will not be tolerated on or around the field of play. During the game this could result in a "red" card, or if it is on the side lines you WILL be told to leave.
7. There is no smoking at any FYSA field.
8. Remember that DYSC is for your child, not you.
9. The overall purpose is to enjoy the game and the opportunity to be with your child on the field of play.
10. If you have a problem with a coach, referees, or player, DO NOT voice your anger on the field of play. Wait until the next day and go through the proper channels.
11. The referees are human beings also. More than likely they have made fewer mistakes calling the game than your child did playing it. Cut them some slack.
12. REMEMBER YOU ARE A REPRESENTATIVE OF THE CITY OF DELTONA. OTHER PEOPLE WILL BASE THEIR OPINION ON WHAT THEY WILL SEE IN YOU.

These premier team rules and Regulations were adopted per approval of Executive Board on November 10, 2012. They may be amended by a majority vote of the Board during an announced board meeting, provided the proposed changes have been presented for consideration at the prior board meeting.
